Dear Sir:

Responsive to the Notice of Abandonment mailed January 14, 2004, Applicants respectfully assert that for the following reasons, the withdrawal of the holding of abandonment is in order.

Applicants in the above-identified patent application have received a Notice of Abandonment, dated January 14, 2004, copy enclosed as Exhibit A, advising that the application is abandoned due to Applicants' failure to timely respond to the Notice to File Missing Parts (the "Notice") mailed October 4, 2001.

For the reasons set forth below, Applicants believe that the Notice of Abandonment is in error or due to actions by the USPTO and should be withdrawn.

In the alternative, abandonment of the application was unavoidable under 37 C.F.R. § 1.137(a). If deemed necessary, the Commissioner is authorized to charge the fee under Rule 1.17(l) for the Petition to Revive to Deposit Account No. 04-0100.

It is believed that the evidence submitted herewith is an adequate showing that the Notice of Abandonment should be withdrawn or that abandonment of the application was unavoidable. However, if the Commissioner does not agree, in the alternative, abandonment was unintentional. The abandonment of the application and the entire delay from the due date of the reply until the filing of this petition pursuant to 37 C.F.R. §1.137(b) was UNINTENTIONAL. If deemed necessary, the Commissioner is authorized to charge the fee under Rule 1.17(m) for the Petition to Revive to Deposit Account No. 04-0100.

STATEMENT OF THE RELEVANT FACTS

The present application was filed by the Applicants' previous attorney, The Morrison Law Firm ("MLF") on August 29, 2001. MLF received the Notice, mailed October 4, 2001, and the due date for a response, without fee, was December 4, 2001. MLF responded to the Notice on November 5, 2001. Enclosed herewith, as Exhibit B, is a copy of the Response to the Notice to File Missing Parts, the signed Declaration, a copy of the Notice and a copy of the check submitted by MLF for the full amount of the fee due (the "Response"). The Response was filed with a Certificate of First Class Mailing dated November 5, 2001. The Response was also filed with a return postcard and the postcard was stamped as received by the Office of Initial Patent Examination (OPIE) on January 29, 2002 and returned to MLF. A copy of the stamped postcard is attached herewith as Exhibit C.

CONCLUSION

Applicants respectfully submit that the Response to the Notice was complete and was timely filed on November 5, 2001. The USPTO acknowledged receipt of the Response and the stamped postcard is submitted as proof herewith. Applicants submit that the Response was

misplaced or mishandled by the USPTO and respectfully submit that no petition fee is due and request that the holding of abandonment be withdrawn.

Applicants cannot verify if the check transmitted with the Response and paying the required fees was deposited by the USPTO. If the USPTO determines that the fee was not paid, the Commissioner is authorized to charge the fee to Deposit Account No. 04-0100.
